D/GG req. to Domestic Proc. D/GC
1. Verbal request -
2. Domestic Proc. puts body & background in formal statement.
3. potential sources indicated by Dom. Proc.
4. Suggest collecting pts. - for out requirements & logical sources.

Do not coordinate all emap req. which have potential for geog. info.

Sanitized - Approved For Release : CIA-RDP60-00346R000100100012-7

Sanitized - Approved For Release : CIA-RDP60-00346R000100100012-7

7. Closer contact between St/I & Domestic Proc. D/S&L.

8. Our req. tend to become emasculated in St/I. Econ req. should not be incorporated in them.

9. Statement of source of intelligence have been too slanted to econ. aspects.

10. ~~Field stations~~ Guide requirements —

11. Too much emphasis on Bloc —

12. St/I could invite participation in devel. of general policy for req. handling - or publication —

Sanitized - Approved For Release : CIA-RDP60-00346R000100100012-7

Sanitized - Approved For Release : CIA-RDP60-00346R000100100012-7

1. Forward to SR/I all req. for geog info for OO/C
2. Forward directly to OO/C all req. for maps & aerial photos.

25X1A9a

[redacted] deals directly with in handling req. which normally should come thru Domestic Proc. D/Sec.

Why?

Why do some people not write req.?

~~If~~

D/GG people have their own sources!
